

71.8%

UNDERGRADUATES ACTIVE IN HANDSHAKE

Handshake, Trinity's online career community, connects students and alumni to opportunities from more than 300,000 employers.

2,174

NUMBER OF ENGAGEMENTS

In the fall of 2019, the Center for Student Success and Career Development Center connected with students and alumni 2174 times through coaching, events, and career development activities.

96.6%

POSITIVE OUTCOMES

Within 6 months of commencement, 96.6% of Trinity graduates are employed full time, pursuing graduate study, or serving in the military or a full-time volunteer/corps role.

#10

IN THE NATION FOR ROI

Trinity ranked 10th among U.S. liberal arts colleges in long-term return on investment according to a recent report by Georgetown University Center on Education and the Workforce (CEW).

STUDENTS AND GRADUATES ARE EMPOWERED TO **DESIGN** THEIR CAREERS AND USE THEIR LIBERAL ARTS EDUCATION TO **ADAPT TO** AND **TRANSFORM** THE FUTURE OF WORK.

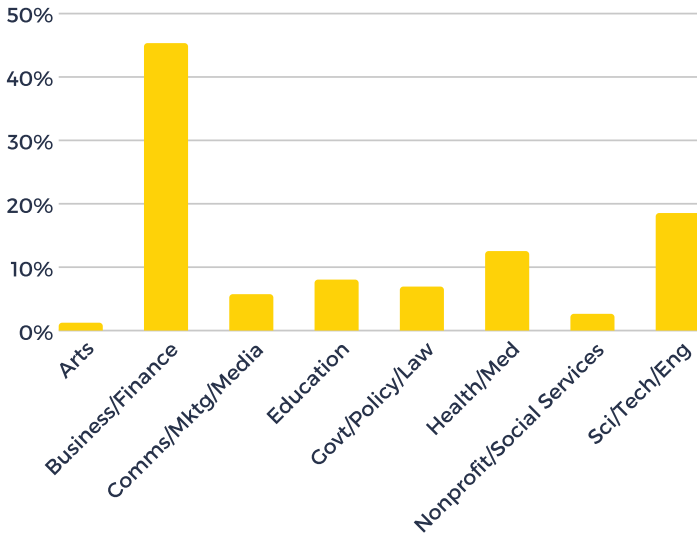

"We are still the place to come for help with a job or internship search, but it's more than that. We take a holistic and personalized approach to working with students."

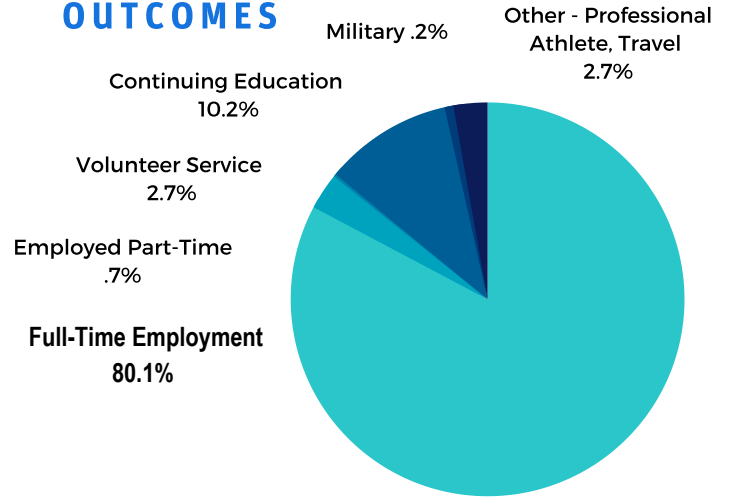

- Joseph M. Catrino, Director of Career Development and Special Assistant to the VP for Innovation

- Citi Sales & Trading
- Estreich & Co
- Facebook
- Paperless Parts
- Success Academy Charter Schools
- X-Chem Pharmaceuticals
- Yale University/Research

CENTER FOR STUDENT SUCCESS AND CAREER DEVELOPMENT

Trinity prepares students to search for, apply to, engage in, and reflect on experiential learning opportunities, post-graduate employment, and graduate education through high-quality career coaching services, program implementation, resource development, and curriculum integration. Career Development fosters relationships with employers and alumni to cultivate internship and job postings, employees visits, and networking opportunities for students and alumni.
