

QUESTION 6: WHAT IS YOUR FAVORITE PART ABOUT BEING A TUTOR?

MAKING AN IMPACT

- Watching them feel more confident and happier about a subject
- It's satisfying when the student understands and can be independent
- It's very gratifying to feel like you helped the student
- Hearing that they are having better results because of your tutoring.

COMMUNITY AND CONNECTION

- Meeting and bonding with new people
- Being part of the peer-tutor community

LEARNING AND GROWING

- Getting to learn more about what we're tutoring (refresh the material)
- Learning from the people around us and expanding our knowledge
- Getting to share your passion for learning in a specific subject
